

1071-CPD

Platon Stop

Isola as, Platon Factory, Lienfossveien 5, N-3678 Notodden, Norway.

08

Certificate no.
1197

EN 13984:2005

Product type
Water vapour control layer

Characteristic

Reaction to fire:	F
Tensile properties:	
Strength MD (min.):	390 N/50 mm
Strength CMD (min.):	360 N/50 mm
Resistance to static loading, $\phi_{\text{tool}}=10\text{mm}$:	Pass at 20 kg
Resistance to impact, $w_{\text{tool}}=500\text{g}$:	Pass at 0.45 m
Resistance to tearing (min.):	NPD
Joint Strength (min.):	185 N
Watertightness:	NPD
Water Vapour resistance:	300 m \pm 25%
Durability:	
After heat ageing:	Pass
Durability against alkali:	Pass
Dangerous substances:	None
Resistance to deformation under load (max.):	NPD

For Isola as, Platon Factory

Richard I. Waterhouse,
Teamleader, PTS.
